

Joint Emergency Services Interoperability Principles

Chief Superintendent Duncan Worsell

Civil Nuclear Constabulary

Background & Context

JESIP – principles for joint working

Co-locate

Communicate

Co-ordinate

Jointly understand risk

Shared situational awareness

Joint Response – the challenges

Without regular exercises and practise you will encounter:

- Multiple lines of accountability
- Information sharing conflicts
- Parochialism and mistrust
- Exploitation by the media

CNC and Sellafield Joint Working

Security event, or safety event?

Malicious or accident?

- Derrick Bird 2010
- Digger v Cable 2011
- Exercise Nighthawk 2017
- Volatile Chemical Hazard 2017
