Well lads, it's time to stop shitposting and time to make a real life effort post.
I will carry out and attack against the invaders, and will even live stream the attack via facebook.
The facebook link is below, by the time you read this I should be going live.

It's been a long ride and despite all your rampant faggotry, fecklessness and degeneracy, you are all top blokes and the best bunch of cobbors a man could ask for.
I have provided links to my writings below, please do your part by spreading my message, making memes and shitposting as you usually do.
If I don't survive the attack, goodbye, godbless and I will see you all in Valhalla!
